The Youth Choir of St. John Lutheran Church
presents the Musical:

**“The Puzzling
Parables”**

Text by Trilby Jordan
Music by Albert Zabel

**Sunday, May 2
9:30 am**

This entertaining musical explores the “mysterious parables” of Jesus. The teacher of a bored Sunday School class approaches the parables as a mystery and captures the students’ interest as they work to “crack the case” and “solve the mystery”. The musical teaches Biblical concepts in a lighthearted and humorous way. Come to worship and enjoy learning more about God and the importance of going to Sunday School!

The Youth Choir consists of grades 6-12.

Bethany Homes Annual Meeting Report

Bethany Retirement Living, Fargo, is sponsored by 40 area North Dakota ELCA congregations, including St. John. **Sylvan Melroe**, is St. John’s representative to Bethany Homes. He recently attended their annual meeting on April 13. This is his report.

Delegates elected four Trustees to Bethany’s eleven-member governing board and also elected next year’s Nominating Committee. Reports were presented by Board Chair Butch McConn, President/CEO Shawn Stuhaug and various Department Directors.

Bethany on University consists of a 172-bed nursing facility (Skilled); assisted living facilities (Towers I and II) housing 145 residents (33 of these units are Basic Care); 35 independent living units at Bethany Kinder House; Bethany Personal Care Services and Bethany’s Foundation.

Bethany of 42nd consists of a 78 bed nursing facility (52 Skilled beds and 26 Transitional Care beds); and 40 assisted living units (Bethany Gables).

Bethany remains thankful for the volunteer hours provided through Congregation Auxiliary members and pastoral support, as well as the prayers, visits and financial support received from congregational members.

Respectfully submitted, Sylvan Melroe

Growing Together, Literally!

St John's Mission Statement is "Growing Community Together in Christ." I would like to add the word, "Growing Healthy Communities Together in Christ." We are looking for people who like to be part of a community garden ministry here at St. John. This project is designed to take vacant areas and make them into healthy productive garden spots for the New American families. It provides wonderful healthy vegetables and fun opportunities to learn as we dig, plant, and reap the harvest. It has been a project through Olivet Lutheran and First United Methodist Churches and we are looking to expand the project to St. John. Those who are interested in lending a hand, a hoe, and some sweat to make healthy foods and build community while gardening may contact: **Lynn Wolff** at 701-235-6733, blr101@q.com or **Jeff Botnen** at 701-238-3762, jeffbotnen@parkcompany.com

MAY Mission of the Month: F-M CROP WALK (May 16 at 2 pm)

The F-M Area CROP Walk is a community wide event held to help STOP hunger and its effects throughout the world. Its beginnings in the FM community go back to the mid 1970's.

The 2009 CROP Walk was the first conducted under a new group of local community organizers. Prior to his "retirement" from his role as the leader of the FM CROP Walk, Pastor Les Wassberg from Elim Lutheran, had been instrumental in leading this effort for a number of years.

St. John Lutheran, will again serve as the registration site for this year's FM Area CROP Walk on **Sunday, May 16** and our church parking lot will be the gathering location where the Walk will begin at **2 pm**. More details about the Walk will be available at the table set up at church on Sunday mornings prior to the Walk to help to promote the event.

Since the inception of the local Walk, members from St. John have walked and raised a significant amount of money for the CROP Walk.

The primary purposes for the CROP Walk are to raise money to help STOP hunger and to raise public awareness of the effects of chronic hunger that exists.

Local agencies receiving support from the CROP Walk include the Salvation Army, Churches United for the Homeless, the F-M Food Pantry, the F-M YWCA Shelter, the New Life Center, the Dorothy Day House and the Great Plains Food Bank.

The remainder of the funds raised by the Walk are used by Church World Service (CWS) to provide its services in over 200 countries. Most recently, they have worked through partner agencies to address the needs of people affected by the earthquakes in China, Chile and Haiti.

In many countries where chronic food shortages exist, Church World Service provides programs to teach people agricultural techniques that enable them to raise more and better crops, help obtain clean healthy water supplies, help build and establish much needed schools and health and medical care facilities. The techniques that are taught through these programs employ "green technology".

The needs are great and your participation in the CROP Walk does truly make a difference! Thank you so much!
