LUTHERAN CHURCH

THE HERALD

Volume 120, Issue 12

Welcomed in Christ. Called to community. Sent to serve.

December 2020

A Note from the Pastor...

Happy New Year my Friends!

As we enter into this month of December, we enter into a new Church year. This past year has been one full of challenges and opportunities. Due to this world-wide pandemic, we have had to navigate ways of being community differently. This past year has brought moments of great struggle, sorrow and even spells of depression as we grieve interruptions to our shared lives together and separation from those that we love. The realities of this past year have also brought unexpected innovation and opportunity as we have been pushed to find new and innovative ways to do ministry together.

Over the past months, I have marveled at the way that so many have been able to be a part of our virtual communal worship together! Participation in our worship experience has continued to expand as we've grown together through this online forum. We have many who join us regularly on Sunday mornings from all over in the comfort of their homes chatting together and enjoying our shared worship during our online worship services. We've seen growing participation in the worship services as choir members, readers, assisting ministers, and now advent wreath liturgists have helped to expand our worship scope and experience. I am really excited to experience the Cross+Walk Sunday School virtual Christmas program as the staff and so many of our families work to create what is certain to be an exciting and uniquely powerful worship experience of our Christ's birth story.

Having just celebrated Thanksgiving, I am reminded of how very thankful I am for the faithfulness and the presence of each and every one of you! Thank you for making this community such a vibrant and exciting place to serve as one of your pastors! I truly give God thanks for all of you as we enter into this new and exciting year together. May God continually guide our shared lives as we continue to do God's work in our world in new and exciting ways.

In Christ,

Pastor Brian

Thank you for your Continued Support!

In December, we plan to post videos online of St. John members telling us what St. John means to them. You're also invited to be a part of the mission we all share! We welcome your continued support of St. John through prayer, participation in St. John's online ministries, and/or financial gifts, if you're able. *More info on giving on page 8.*

Children, Youth, & Family

Cross+Walk Sunday School

Please join us in December as we celebrate Jesus, God's greatest gift (©reThink Group) by studying the Christmas story!

Sundays from 10:30am-11:00am on Zoom.

Or Meeting ID: 993 9302 7078

Passcode: Crosswalk

Cross+Walk Sunday School has always had a focus on family faith formation, and this year we get to double down on family. Thanks to Zoom, we will still get to meet as one large group, for a short time of songs, stories, and a bit of silliness. But where this digital environment really shines is in Family Small Groups. You and your family will have a setting to sit together and open the Bible. We put together step-by-step guides to walk you through a simple Bible activity and to talk together about the promises of God for you and the world. And you'll be paired up with another family or two for a comfortable and intimate group to walk through this together.

Blessings,

Erin Bjerke, Youth Education Director

Virtual Christmas Program

All kids age 3 through grade 5 and their families are invited to participate in our virtual Christmas Program! This is an opportunity for you to read or act out the Christmas story, sing, play an instrument, or even read a poem! We're excited to have as many families participate as possible.

We will ask interested families to make a video recording of themselves performing their part and send it to us. **Videos are due by December 6.** If you're interested in participating, but can't get your video in by December 6, please contact Erin at office@stjohnfargo.com.

Everyone's recordings will then be edited together (we might not have space to use everything you send us), and we will make sure that everyone is featured. We will premiere the video during worship on **Sunday, December 20 at 9:30am** on Facebook Live.

A Note from Jeremy...

In the last year, we've (necessarily) put up barriers in our lives. We keep social distance, we cover our faces, we refrain from meeting in person when possible, and we find it difficult to worship together. Some barriers are good, other barriers are not. Recently, I've been working toward eliminating barriers to worship. We can't meet together physically, but that doesn't mean we can't worship together. We can't bring the choir together, but we digitally bring our voices together. We can't see each other in large groups, but we can see pictures of many of us in funny Halloween costumes or as kids, playing. We can't just show up at church, but we can have the church show up in front of us. My goal is to eliminate as many unnecessary barriers to worship together as I can. Thank you to all who have been contributing to this communal worship by sending in pictures or videos, watching and commenting on the live stream, or praying from home! If you haven't had a chance to get involved yet, there are still plenty of ways for you to bless others by just being you - and I will walk you through them! Give me a call, text, or email and we'll see you in worship!

Peace,

Jeremy Maahs, Youth Programming Director

Family Pen Pals

I don't know about you, but I love sending and receiving letters! That's why we've started a new children's activity called Family Pen Pals. This is a no-tech, Covid-safe way for families from St. John to get to know each other during the pandemic.

Families with children from age 3 through grade 5 are invited to participate. Interested families sign up and are then assigned another family to be their Pen Pal. Families are expected to write to their Pen Pal Family about once per month. Need ideas? You can find weekly writing prompts in the weekly Cross+Walk Sunday School emails and on the Children, Youth, & Family Facebook page.

You can still sign up by emailing Erin at ebjerke@stjohnfargo.com.

I'm so excited for our families to write to each other!

Preschool News

This season is filled with traditions at St. John Christian Preschool.

November: We had horse-drawn carriage rides around the neighborhood with Rusty K Ranch. We got to meet live turkey sisters, Evelina and Anneeva and then carved paper bag turkeys filled with snacks that helped us retell the story of Thanksgiving. We made cards and banners for local healthcare workers to show our appreciation. Did you know we currently serve 35 children of essential workers?

December: Our Christmas Program will be a watch-at-home video filled with singing, Nativity dress up, festive sweater day, gingerbread activities, and lots of hands-on learning about the birth of Jesus. We are excited about our Nativity scene costumes for children to wear while we learn the true meaning of Christmas. Gingerbread Nativity kits will be provided for all preschool families to complete at home. The joy of the season is easily remembered when working with children. We wish you a Merry Christmas and a Happy New Year!
